- Removable storage media for information retention and retrieval
- Nationwide technical support available 24/7
- Printer for batch ticket

SINGLE COLOR SYSTEM

ColorSelect® Single Color Liquid System

FLEXIBILITY

- Small footprint, at less than 5 feet square.
- System requires only one dedicated 120 VAC, 20 AMP circuit.
- Easily transported to batch plant or jobsite.

SPEED & ACCURACY

- The Single Color Liquid System features speed, accuracy, and efficiency on par with the full-sized Color Select Systems.
- Batch Apex 15 - 35 at a rate of 25 lbs -200 lbs./minute.
- Refill is fast and easy because the Single Color Liquid System is completely compatible with the Solomon Colors V-Bottom Tote.
